

**NC Emergency Care for
Sexual Assault Survivors
Model Hospitals**

A model hospital is one that provides emergency contraception to survivors of sexual assault in the emergency room. These hospitals do not allow the provider to refuse to provide this basic standard of healthcare. The following model hospitals' EC policies reflect compassionate care for sexual assault survivors:

- | | |
|--|--|
| Alamance Regional Medical Center | Lexington Memorial Hospital |
| Albemarle Hospital | Lincoln Medical Center |
